

We make proper, grown-up, **organic** meals for children of all ages* (incl. me!)

*Suitable from as little as 12 months, our award-winning meals are lovingly prepared by our chefs (Patrick and Mark). They serve one to two portions (age and appetite depending), are 100% organic and are packed with nutritious common sense and lashings of great taste.

Forget everything you ever thought about children's food!
We're like having a personal chef for your kids,
except we live in your freezer... (spooky)
